CONVENTIONS

N67: Weekdays, Monday to Friday.

R67: Weekends, Saturday, Sunday.

N67n: Weeknights from Monday/Tuesday to Friday/Saturday included:

R6n: The night of Saturday to Sunday (irrespective of the starting time of the interruption):

R7n: The night of Sunday to Monday (irrespective of the starting time of the interruption):

Rn: Every night:

N6n: Every night except for the night Saturday/Sunday.

N7n: Every night except for the night Sunday/Monday.

General remark: As far as the R6 and R7 traffic-free periods are concerned, only Saturdays and Sundays are involved.
The public holidays (R7) that do not fall on a Sunday are therefore not involved and an R7, R6n, or R7n traffic-free periode is therefore not applicable to such a day or night.

	Y Zennebrug (excluded) - Brussel-Noord	N67n: 01:30 - 05:00

² Works that require that kind of traffic-free period must be subject to a long-term study, of which RUs are informed in advance. HK 545 and 1544 are cancelled between Brugge and Oostende and replaced by a bus.

³ Works that require that kind of traffic-free period must be subject to a long-term study, of which RUs are informed in advance. IC 545 is diverted via L. 75 – L. 73 – L. 66. The regional management of Gent-St.-Pieters accommodates any passengers for Aalter.

⁴ L. 50E + L. 50: 2 tracks out of 4, thus there are always two tracks available.
