* The timetable (draft/final offer) includes:

- scheduled TCR in the event of a line or part of a line being completely closed for a long period of time or on a regular basis for certain days or time slots;
- Possessions to enable interventions that cannot be planned in the long term.

The list containing the possessions and TCR integrated in the 2021 timetable may be modified in the course of 2020, after consultation with the sector, in particular following the exceptional circumstances relating to Covid-19.
