SAFETY AT LEVEL CROSSINGS

Practical tips for truck drivers

INFRABEL

EMERGENCY SITUATIONS

Is there an incident at or near a level crossing?
Has a vehicle broken down on the level crossing?

Leave the crossing **as quickly as possible** and get yourself to safety.

Call 1711 to stop train traffic as soon as possible.

Provide the information found on the **identification sticker.**

ADDITIONAL TIPS

Only cross the level crossing **when the road ahead is clear!**

Never stop on a level crossing!

Be aware of the weather and drive accordingly.

Be aware your vehicle's **length and height.**

Do not zigzag between the barriers.

Remember: a train **is heavier** than a truck.
